The people on the Ukraine. [Pastoral letter from our Archbishops](#)

A Prayer for Ukraine from the Archbishops of Canterbury and York

God of peace and justice, we pray for the people of Ukraine today. We pray for peace and the laying down of weapons. We pray for those who fear for tomorrow, that your Spirit of comfort would draw near to them. We pray for those with power over war or peace, for wisdom, discernment, and compassion to guide their decisions. Above all, we pray for all your precious children, at risk and in fear, that you would hold and protect them. We pray in the name of Jesus, the Prince of Peace. Amen.

Needing our Prayers: Dave Stapley, Peter Hill, William Jack, Bernie Marron, Angela Morris, Raff Cataldo, Patience and George from Mafambisa, Laura, Audrey, and Baltiska from Mozambique

Continue to Pray for: Joan Tolson, Joy Botterell, Tim Woodward

NB. In future, the names of those requesting prayers will be posted in the pew sheet for four consecutive views, unless we are requested to continue beyond that time span. Simply, after a month, requests will be reviewed: of course, loved ones may remain on our intentions as long as required, weeks, months but we should appreciate confirmation of revision / affirmation of further inclusion on a monthly basis. Sincere thanks to the many who have already responded to this request. *The Vicar and Churchwardens*

We pray for the Departed: Doreen Maynard, Mary Barker, Florence Harradine, Paul Keogh; and for families and friends preparing for services of thanksgiving and celebration

UKRAINE UPDATE

A message from Bishop Alan. Our diocesan system for collating offers is now live: please visit – www.stalbans.anglican.org. The situation we face is undoubtedly going to keep on changing. Please remember that the strength we bring to all that needs to happen is our ability to offer help as a community. No one should be seeking to offer help alone. For this reason, my greatest encouragement to you, if you're thinking of offering support is to develop a parish support group that can draw on the time, energy, and skills of as many different people as possible. We are likely facing a marathon, not a sprint. So being able to sustain the good we want to do is going to be imperative. Thank you for all that we shall be contributing together to help people in grater need. *Bishop Alan.*

EDWARD PEAKE, NEEDS A NEW FOUNDATION GOVERNOR—Our Church of England Middle School.

Foundation governors share the collective responsibilities of all governors to set the school's strategic direction, ensure financial accountability, and provide support and challenge to the headteacher. Additionally, **they have a special role in promoting the school's Christian ethos and preserving the Christian character of the school.** This is an extremely important role. If you want to know more, are interested, can commit to half-termly meetings, visiting the school regularly and particularly if you have any relevant industrial or commercial experience, other skills, interests or local connections which might benefit our service to the school, please talk to me at church, or email me a contact number at (vjohnson@edwardpeake.beds.sch.uk.) Thank you. *Vaughan Johnson, Chair of Governors'*

COUNTRY FAYRE 2022.

On Saturday 17 September 2022 we are back! Our Country Fayre this year will focus on caring for Gods People with the agreed charities of YMCA and Samaritans (specifically the Stevenage/Hitchin branch). As usual we will be looking for help both one the day and prior to the event, it would be massively appreciated if people could volunteer their time and preference as this is part of our major outreach and mission as a church and will save the committee a lot of time. We will of course be having some of our regular and very popular stalls and therefore donations of items for these would be greatly appreciated (please see a member of the committee if unsure). We are also appealing to anyone who may have a contact or link with any charity or organisation locally who support people in any way whether that be children, the elderly or anyone in between. If you could please get in contact as we would love to showcase that work in our Exhibition.

We are pleased to say that Nettie Van De Weerd has very kindly agreed to support the committee with the organisation of the Exhibition which will be greatly appreciated, and therefore if you are unable to contact her directly then we will be able to do this for you.

THE SECOND ST ANDREW'S FESTIVAL

a weekend of concerts and other events in and around St Andrew's Church, Biggleswade, organised by Collectivel - a collective of freelance musicians and performance artists.

The theme of the festival this year will be around Bach and jazz as musicians and artists get "Bach to normal" after a pandemic-enforced break in their careers!

To start this mini Festival, on Friday 1st July at 7.30pm we will be welcoming Simon Berridge, Tom Stewart and Wayne Morris to perform 'Places to go: from Bach to Jazz'; for voice, trumpet and piano. Local star Simon Berridge has more than 35 years of experience as a classical singer, choir director, vocal mentor and teacher. Whilst a member of the award winning ensemble 'The Sixteen' he toured extensively with the group throughout the world. On Saturday, 2nd July at 12.30pm, we welcome award-winning organist William Whitehead for 'Bach and friends'; a lunch-time concert on the organ of St Andrew's Church, Biggleswade. William will present a wide-ranging programme to include Bach, Bach arranged by Dupré, and Bach arranging Vivaldi! Plus a kaleidoscope of contemporary pieces in homage to Bach drawn from the Orgelbüchlein Project (contemp composers filling in the blank pages of Orgelbüchlein that Bach left).

This will be followed at 7.30pm by 'Bach and the Art of Jazz' featuring Martin Feinstein, world renowned flute and recorder player who returns to Biggleswade to join with Collectivists in a programme of Bach and beyond... Martin Feinstein played jazz piano from a young age and started playing the flute at the age of 15, inspired by hearing the works of J.S.Bach. He is recognised as one of the UK's leading period flute players. As a soloist and with his Feinstein Ensemble, he has performed, broadcast and recorded a wide range of repertoire on both modern and period instruments, performances that have met with critical praise both in the UK and abroad.

The festival finishes with a picnic concert outside the church on Sunday 3 July, at 3pm featuring the Alec Harper Quartet - a four-piece jazz group consisting of four friends and titans of the UK Jazz Scene. For this particular programme the group will be performing a selection of jazz compositions from their favourite artists including, Duke Ellington, Count Basie, Jelly Roll Morton and many more. The repertoire selected is focussed mainly on the period of jazz history spanning the 1920's-50's but some exceptions could indeed make their way into the set, after all, Jazz is full of surprises! Bring a rug, chairs, and a picnic, and join us for the fun-filled festival conclusion...

For more in-detail info about the concerts and performers, and how to buy tickets visit <https://www.collectivel.org> Whilst there where you will be able to take the opportunity to read more about our work, to listen to audio and video clips of previous events, including the first St Andrew's Festival held last year... ECO GROUP SURVEY.

Please complete our Environmental Survey. The Eco Group at St Andrew's Biggleswade is working on behalf of the PCC to move towards a more environmentally sustainable church as well as achieving recognition as an Eco Church. As part of this work, we would like to know more about what people at St Andrew's know, do and would like to do regarding climate change.

Social Media

Keeping in touch with family and friends has never been so crucial, and this is something as a Church we are trying to undertake through the use of our social media platforms. The online sphere is another channel we are also able to use to be able to spread God's message. The platforms allow us to reach out to our community of faith, our local community as well as others who aren't as local. Please do contact Oliver Dilley or Jessica Mephram with any ideas, thoughts or content for the social media pages. In the meantime please continue to like, follow and share our social media accounts. *Thanks.*
